

percent of any projected collateral savings determined to be realized in a typical year of use after subtracting any Government costs not previously offset. However, the Contractor's share of collateral savings will not exceed the contract's firm-fixed-price or estimated cost, at the time the VECP is accepted, or \$100,000, whichever is greater. The Contracting Officer is the sole determiner of the amount of collateral savings.

SUPPLEMENTARY INFORMATION:

A. Background

Executive Order 12933 was signed October 20, 1994, by President Clinton and published in the **Federal Register** on October 24, 1994. To obtain public comment and assist in development of implementing regulations, the Department of Labor (DoL) invited comments through a notice of proposed rulemaking in the **Federal Register** at 60 FR 36756, July 18, 1995. The final DoL rule was published in the **Federal Register** at 62 FR 28175, May 22, 1997. DoD, GSA, and NASA published an interim FAR rule implementing DoL's rule under FAR case 94-610 (FAC 97-01, 62 FR 44802, August 22, 1997).

During consideration of the public comments submitted in response to the interim rule, the Councils identified this additional issue and proposed change. The Councils considered this additional change significant enough to warrant additional public comments. The Councils received no public comments in response to the proposed rule published in the **Federal Register** at 64 FR 32738, June 17, 1999. This final rule amends the FAR clause at 52.212-5(c) to add the clause 52.222-50, Nondisplacement of Qualified Workers, to the list of clauses that the contracting officer may incorporate by reference when applicable.

This rule was not subject to Office of Management and Budget review under Section 6(b) of Executive Order 12866, Regulatory Planning and Review, dated September 30, 1993. This rule is not a major rule under 5 U.S.C. 804.

B. Regulatory Flexibility Act

The Department of Defense, the General Services Administration, and the National Aeronautics and Space Administration certify that this final rule will not have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.*, because the rule only identifies the FAR clause at 52.222-50, Nondisplacement of Qualified Workers, as appropriate for incorporation by reference in certain service contracts when determined so by the contracting officer.

C. Paperwork Reduction Act

The Paperwork Reduction Act does not apply because the changes to the FAR do not impose information collection requirements that require the approval of the Office of Management and Budget under 44 U.S.C. 3501, *et seq.*
